School details

School Details	
School Name	
School Head Name	
School Location	
Type of place (Rural/ small town/ middle town/ suburb/ big city)	
Number of pupils and teachers	
How many students and teachers will be involved in the Plan?	

Insight, where are we now?

How does your school set up broad and inclusive consultation processes, to build trust and enhance support for changes?

Does your school consider learning (sub)teams to stimulate school development or support the implementation of specific changes? Elaborate.

Does your school have active HRM (Human Resources Management) policy, is an individual development plan the norm for every teacher? Elaborate.

Does your school have active school development policy, is a school development plan the norm for your school? If so, explain.

Does your school have systematic school development meetings and actions (e.g. Team Meetings; learning circles; Team courses; etc.)? List them.

Does your school effectively engage all staff members? Explain how you engage them.

Does your school create opportunity for individual and collective learning paths? Explain how you aim to achieve it.

Is your team familiar with promoting of sustainability citizenship? Elaborate on this.

How does your school encourage and support collaboration among staff for teaching (e.g. team teaching, sharing of teaching resources) and staff learning?

How does your school consider cross-school networks and digital platforms to support (a culture of) collaboration in the teaching profession?

Designing the Plan for cultivation Collective Teacher Efficacy
