Solution scheme for a Mystery

30
Min

1. Read the mystery question carefully.
Give it some initial thought.

2. Opens the first envelope. Hypothesises.

3. Open the second envelope and compare this
info with your previous findings.
Sort them on your evidence board.

4. Read the help questions - in case you need
more help.

5. Create a mind map in the form of a "crime
wall" (evidence board) to visualise the solution path

Homework

- 🐦 Find other protective measures for the species you have learnt about!
- 🐦 Write down the measure that you like best and that you could imagine implementing on a post-it and bring it to the next lesson.
- 🐦 Let's collect our post-its on the posters.
You can use the internet or books as a source of information; you can also ask your family.
